Couple Goals

Summary

Murder husbands Will and Hannibal are a super cute affectionate couple and unlike the show unwilling to hurt each other physically, emotionally, or mentally.

They fear almost nothing.

but... the very thought of being separated from one another is a greater paralyzing nightmare than anything else that could be done to them.

There is someone for everyone.

Hannibal thought this a rather childish and naive expression. He thought there are some people who are just meant to be alone. People like him. He was fine with that. The idea of sacrificing a normal life and partnership with someone else to have everything else he wanted out of life. He thought he didn't need anyone else. That no one could match the level he was on. That no one in the world was his equal. Then he met Will Graham.

Now he can't imagine a world without his partner.
